Dear Cancer Voices SA members,

Cancer Voices is a 100% volunteer organisation, led by people passionate about using their experience to raise a voice and advocate to make a difference for people affected by cancer.

Cancer Voices SA Annual General Meeting will be held on **Sunday 2 December 11am-noon** under the trees on **Newland Park oval, Hallett Rd, Stonyfell (opposite Taylor Blend cafe)**. This will be after the usual Sunday morning cycling group ride, so you'll recognise some of us by our distinctive cycling jerseys. BYO hat, chair/ picnic rug, coffee etc. As you are aware, we are 100% volunteers and have very limited funds, so this venue fits our budget.

We welcome nominations from anyone interested to join the Executive Team (10 positions - with plenty of opportunity for people to contribute diverse skills or experience to the team). A lot of communication between the Executive Team members occurs 'out-of-hours', by email and/or by teleconference. We are specifically in need of supporters with fundraising ideas/skills for 2019.

Please find attached the Agenda, Executive Team nomination form and proxy voting form if you would like to vote but are unable to attend the meeting. Also attached is the Cancer Voices SA 2015-2020 Strategic Plan and Priorities.

The Minutes of the 2017 AGM, Chair's Annual Report for 2018 and Financial Report for 2018 will be available at the meeting.

Thank you for your interest, donations and support during 2018. We are in our 11th year as an organisation and working on documenting the first 10 years as a way of celebrating the achievements of CVSA and all who have supported our consumer advocacy work, begun by Ashleigh Moore OAM (and Executive Team) in November 2007.

I hope to see you at the CVSA Annual General Meeting and look forward to your continued support in 2019.

Warm regards
Chris Christensen
Chair
